

Prepping Your Buyer

As a credit union, it's our mission to help members improve their financial positions. To that end, whether your clients are buying a vacation home, upgrading to their dream home, or are first-timers in the market, Dupaco can help.

Dupaco has mortgage loans to fit all kinds of scenarios, with great rates, low fees, and top-notch service. Your clients will work with trusted Dupaco staff from loan application to closing, and beyond. Payments are made right to Dupaco, and members call on us with questions about their loan—not some faceless out-of-town mega-loan conglomeration.
