## Tips to Make the Most of Your Money

The holiday season is a wonderful time of celebrating. Receiving money during the holidays is the gift that keeps on giving! Did you receive any money this holiday season? If so, here are some tips that can help you make the most of your money.

### Set a savings goal

Write out a wish list of things you would like to buy. How much money will you need to save to buy the items you want the most? By setting your savings goal, you have a reason to keep your money instead of buying something you might not really want. Then, start saving!

### Pay yourself first

Each time you receive money, before you are tempted to spend it, commit to putting some in your savings account. Even a little bit of money will add up over time.

### Spend smart

Instead of buying the first thing you see, make sure you really want what you buy. When you're ready to purchase, look for sales or coupons that can help you save a little money.

## Launch into Thank Use with Boost!

At a cooperative like Dupaco, you're not just a member, you're an owner.

### Your membership pays

Boost is a special Thank Use earning category for members under the age of 18—like you! Simply make five deposits of \$5 or more into your savings account by Sept. 30, 2020, and we'll thank you with a \$25 "boost" to your account.

**Thank USE**

To earn Thank Use in the Boost category, member must meet campaign eligibility requirements and have 5 or more individual savings account deposits of \$5 or more each between 01/01/20 - 09/30/20.

**DUPACO COWBELL CUP HOCKEY COLORING CONTEST RULES:** Cut out the official color sheet above. Then draw, paint or color your color sheet.
