

FOUR MOUNDS AND THE CITY OF DUBUQUE'S HISTORIC PRESERVATION COMMISSION PRESENT

WOOD WINDOW

WORKSHOP WEEK

MAY 14-17, 2014

David Wadsworth of Decorah leads three distinct forums designed to teach anyone the foundation and ability to repair their own windows, or contract for a window rehabilitation project. Perfect for homeowners, property managers and contractors.

All three workshops take on:

- Beginning and end: removal, opening protection, re-installation, trim, and touch-up
- A good sound window: stripping, glazing, epoxy, repair, priming, glue, painting
- Fenestration openings: restoring the stops, jamb, sill and trim
- All about hardware: locks, handles, weights, chains, ropes and pulleys
- Green your windows: reducing air flow at the storms, sash, pulleys and trim

Restoration Overview Lecture

Saturday, May 17 | 10:30 AM

Shalom Spirituality Center

1001 Davis Street | Dubuque

COST: Free Will Donation

As part of the Old House Enthusiasts Tour, this 40 minute lecture provides an overview of all aspects of window restoration, hiring a contractor and energy efficiency.

Hands-On Demonstration and Lecture

Wednesday, May 14 | 1:00 - 4:00 p.m.

The Masonic Lodge

1155 Locust Street | Dubuque

COST: \$65 | Free to Dubuque County Residents*

This 3-hour event is a hybrid workshop covering all aspects of restoration and efficiency, with opportunities for hands-on experience.

Comprehensive Hands-On Training

Thursday, May 15 - Friday May 16

Four Mounds Estate

4900 Peru Road | Dubuque

COST: \$275 | Free to Dubuque County Residents*

An intensive 2-day workshop that teaches all aspects of restoration and energy efficiency in a hands-on training environment. Lodging available at the historic Four Mounds estate at an additional price.

*Free to residents of Dubuque and Dubuque County, made possible with funding from the City of Dubuque and the Dubuque Metropolitan Area Solid Waste Agency.
